

# Become a Beechenhill-Billy!

## **Our Travellers code:**

**Love the Peak District and help us look after it**

## **Before you come to stay:**

- Learn a bit about the Peak District
- Travel less, stay longer
- Consider making a donation to offset your carbon emissions [www.climatecare.org](http://www.climatecare.org),  
[www.carbonneutral.com](http://www.carbonneutral.com)

## **While you are here, please minimise your impact:**

- Enjoy yourself, relax and have fun!
- Give your car a holiday
- Join locally organised walks and tours, use public transport and bike hire
- Buy local produce, buy organic, drink tap water not bottled
- Take home local food, art and crafts as souvenirs
- Use water and power sparingly, switch lights off, dry washing outside, turn the heating down, wear a local woolly jumper!
- When you go out for the day, turn off heating and lights
- Recycle your rubbish or take it home
- Learn about how we live and respect our local communities
- Respect our countryside, take photos not plants, leave gates as you find them
- Don't climb dry-stone walls, they fall down easily and take a long time to repair
- Keep to paths, keep dogs on a lead
- Show you are a responsible traveller, ask about environmental policies, look for environmental groups and awards Peak District Environmental Quality Mark, Green Tourism Business Scheme, Peak District Foods
- Enjoy our fresh air and tranquillity

## **When you get back:**

- Write to your hosts with ideas for reducing environmental impacts and appreciation of what they are doing already
- Leave a review
- Tell your friends, share your photos
- Enjoy the memories and start planning your next trip!
